

Sales Manager, Nord-Rhein Westfalen Region

Are you looking to make a difference and be part of a company on a mission to help reduce CO2 emissions, and do you have the commercial talent and entrepreneurial mindset that it takes to build something from the ground? If you can answer those questions with a YES, then you might be the new Sales Manager we are looking for in Nord-Rhein Westfalen Region.

You are located in Nord-Rhein Westfalen Region and characterized by the following:

1. You are a self-starter, get things done and need no one to tell you how to manage your day.
2. You have a technical background or a commercial background with a solid technical understanding.
3. You have an entrepreneurial mindset and is a “road-warrior” that thrives under pressure.
4. You are a team player, who enjoys being part of a special team on a mission to make a difference.
5. Although your mother tongue is German, you communicate in English without problems.

About Us

We are a fast-growing green-tech company based in Denmark. We design, manufacture and market the worlds most advanced high-volume low speed fans and associated control and monitoring systems. Our solutions help our customers lower their energy consumption, reduce their CO2 emissions, improve human comfort levels, and increase overall productivity.

Our customers range from indoor sport & fitness facilities and educational institutions, to larger manufacturing companies and distribution centers.

We are passionate about what we do, and all come to work to be part of something that makes a difference. We have a “no-bullshit” environment and treat each other, our vendors, and our customers with respect and do what’s right at all times.

Be a part of a very special team

We offer the opportunity to be part of a very special team, and a role with plenty of autonomy in a dynamic, international and fast paced environment. We offer an attractive base salary with plenty of upside and the opportunity to build and eventually lead a larger sales and sales support team in the region. Learn more on www.nordicco.eu.

If interested, please submit cover letter and your resume to info@nordicco.eu.
